DECORATIVE SCREEN PANELS
PRODUCT INFORMATION

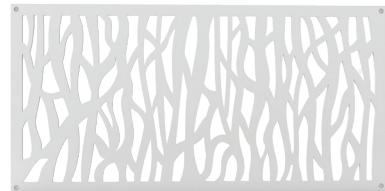

Decorative Screen Panels offer a unique and attractive way to customize an indoor or outdoor setting. They are the perfect home accent that can enhance a room, deck, patio, or garden area, allowing for creativity with privacy screening options. Decorative Screen Panels can be hung from your patio, dress up your under-deck solution, or be installed up to 3 panels high in our powder-coated matte black aluminum Frame Kits to create semi-privacy in your outdoor space.

FEATURES & BENEFITS

- Paintable for complete customization
- Low thermal expansion and contraction
- Extra thick for superior durability
- Color matched hardware kit available
- Transferable Limited Lifetime Warranty
